Supplementary food under ICDS

2905. SHRI B.J. PANDA:
SHRI RAVI SHANKAR PRASAD:

Will the Minister of WOMEN AND CHILD DEVELOPMENT be pleased to state:

(a) the details of supplementary nutritious food provided to children under three years of age under the ICDS Scheme in different States;

(b) whether only in a few States such children are given fortified blended food as complementary food, while others have discontinued providing fortified mixes to these children;

(c) whether the Apex court has directed that contractors should not be used for procurement of food and only hot cooked meals be provided to this age group;

(d) if so, how far the above ruling has been implemented in different States, indicating the status of its implementation in these States; and

(e) if not, what is the plan of Government to ensure that children at this vulnerable age receive the essential micronutrients such as vitamin A and iron?

THE MINISTER OF STATE OF THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI RENUKA CHOWDHURY): (a) and (b) The type of supplementary food given to children below 3 years of age varies from State to State, depending on the local availability. As per the information given in the Affidavits filed in the Hon'ble Supreme Court by the States the type of food ranges from weaning food, Take Home Ration and Ready To Eat food fortified with vitamins and micronutrients.

(c) The Apex Court *vide* its Order dated 7.10.2004 has directed as follows:

"The contractors shall not be used for supply of nutrition in Anganwadis and preferably ICDS funds shall be spent by making use of village communities, Self-help Groups and Mahila Mandals for buying of grains and preparation of meals".

(d) and (e) As per the directions of the Hon'ble Supreme Court, the States are required to individually file an Affidavit before the Court indicating the status of implementation.
